

Park and Recreation

Description of the Service

The Park and Recreation Department budget is comprised of 187 full-time equivalent positions. These employees are assigned to the Administrative, Planning and Design, Recreation, Parks, and Special Transportation programs.

The Administrative Program is responsible for fiscal and personnel management. This division is also responsible for grant administration, clerical support services, including the preparation of the Park and Recreation Commission agenda and minutes, and oversight of the Special Transportation program. It is anticipated that this dial-a-ride service will transport over 15,000 senior and handicapped passengers per month with the addition of routes to accommodate the Goeske senior housing complex and the Dales Senior Center. This program operates and maintains a fleet of 24 minivans.

The Recreation Division offers a wide range of community service programs for the residents of Riverside. These programs offer opportunities for adult & youth team sports and activities; provide safe, wholesome, fun programs and facilities for family activities; strengthen the community image and create a sense of place; provide opportunities for physical exercise, social and emotional development; make available after school programs or programs for youth at risk; cultural unity and diversity; and offer service to elderly, disabled and low income populations. The recreation & community service programs are offered through the 9 community centers, 9 pools, contract classes, mobile recreation programs, 22 after-school sites and 6 citywide special events. The recreation programs will attract more than 100,000 youth & adult participants in FY 2004/05.

The aquatics program consists of recreational swim and lessons at 9 city and high school pools. In FY 2004/05, more than 54,000 participants are expected to participate in recreational swim, and 2,400 lessons will be offered. Over 12,000 participants are anticipated in the Pee Wee and Youth Sports Programs, which include flag football, basketball, rookie baseball, soccer, track and field, and other sports contests.

The Parks Program is responsible for the maintenance of parks, facilities, street trees and sports fields. In addition, the division manages approximately 22 maintenance contracts totaling about \$2.2 million ranging from swimming pool, janitorial and landscape contracts. The parks system is comprised of 51 parks totaling 2,500 acres, and over 400 linear miles of medians and reverse frontages. Riverside's urban forest is home to over 100,000 street trees, and over 30,000 park trees. The division manages the tree maintenance contract of almost \$2 million for trimming of the City's street trees and Public Utilities line clearance. The Parks Program also provides skilled maintenance for the department's infrastructure in the trades of carpentry, masonry, electrical, plumbing, metal fabrication, and also includes cement work and miscellaneous repair.

FY 2004/05 Capital Projects

The Planning and Design program is responsible for the planning, design and construction of an assortment of capital improvement projects. In FY 2004/05, capital improvement projects will include design and construction of ball fields, restroom, parking and road at Reid Park; acquisition and development of parkland for various sports practice fields and miscellaneous community center rehabilitation, and miscellaneous park refurbishment.

Park and Recreation

Mission Statement
